During this 90-minute documentary, take a virtual tour (or relive memories) of the Anabaptist heritage trail in Europe through still photography, film footage, and video from John Ruth's more than 60 heritage tours with TourMagination over 45 years. Twinned motifs of sword and song emphasize the historic centrality of Anabaptist biblical nonresistance. This film will bring the stories of Anabaptist leaders to life as you "visit" significant sites in the Netherlands, France, Germany, Switzerland, and Ukraine.
